

## Stunt The Sport SPRING TRAINING At Riley's Gymnastics Academy

We are so excited to offer this new team based sport - including stunts, pyramids, tosses, jumps & tumbling! Club Stunt takes skills from cheerleading and organizes them into a head-to-head, scored format. This is also the same sport that many of our local high schools are currently competing in!

The competitive Club Stunt season runs from July through December, and we are currently preparing athletes to be evaluated for Fall teams.
